

Galax City Electoral Board
November 5, 2021, 12:00 pm

Josepha Thompson, Chairman called the meeting to order on November 5, at 12:00 pm with Melba Knox, Sylvia Richardson, and David Phipps, Registrar present in the Registrar's office to evaluate the four Provisional Ballots from the November 2, 2021 General Election.

Two provisional ballots were accepted as valid and two were disqualified due to the potential voters not being registered to vote. Both potential voters stated that they had registered when conducting a transaction with the Virginia Department of Motor Vehicles. The DMV audited their transactions and verified to the Registrar that neither potential voter had registered to vote while they were updating their DMV records. Both were given Registration Forms to complete for future elections on Tuesday.

The Central Absentee Precinct (CAP) met Friday to tally three valid absentee voters that had arrived before 12:00 pm.

The Board and CAP tallied the votes that were added to the final tally in VERIS by the Registrar.

The Board will meet 12:00 pm on Monday to do the Official Abstracts for the Election on November 2.

Meeting adjourned 1:10 pm.

Respectfully submitted,

Melba Knox, Secretary
