

Galax City Electoral Board

November 28, 2022, 8:00 am

Melba Knox, Secretary and Sylvia Richardson, Vice Chairman of the Galax City Electoral met in Registrar's office on November 28 8:00 am to go to Independence to do the required audit according to Virginia Board of Elections. Josepha Thompson was not present due to a confusion regarding the date and time of the audit. Since the two Board Members made a quorum, they left at 8:15 am to go to Independence for the required audit with Melba driving. David Phipps, Registrar was unable to go due to the death of his mother, November 26. Melba had met with David on Sunday, November 27 in the Registrar's office to receive instructions and the internet code to report the audit.

Upon arriving at the Clerk's office, the two got the required envelope to find the ballot required, then proceeded to go to the Clerk's office to count the ballots and get the one requested and followed instructions. Witnesses, included Heather Pyles, Galax Republican Party chairperson, and Susan Herrington, Clerk of the Court. Vote was recorded on the paper work that corresponded to the results of the majority in the November 8 Election, so the audit was a success. Proper paperwork was completed and the two Electoral members returned to Galax and the two filed their conclusion with the VEBA coded web site.

Respectfully submitted,

Melba M. Knox, Secretary
