- Façade program enables business/property owners: This project will provide matching grants ranging on a dollar-for-dollar basis in amounts ranging from \$500 to \$8,000 to assist downtown businesses along designated areas in the City of Galax with building façade rehabilitation and other general property improvements undertaken in accordance with established design guidelines.
- The design guidelines address architecture, signage, landscaping, walls, lighting, veneers, awnings, etc.
- To be eligible for a Façade Improvement Program reimbursement grant, a building must be used in whole or in part for commercial purposes and must be located within the target area.

The target area coincides with the area commencing at McArthur Street to Stuart Drive and bounded by Jefferson Street, Carroll Street, E Oldtown Street, Depot Avenue, and Madison Street. This includes properties on both sides of the streets named including East and West Oldtown Street, Grayson Street, Center Street, Washington Street, Webster Street, Virginia Street and North and South Main Street.
